"One objection to a bank is that ing 10,690 candlepower of light from involves a qualified monopoly; and the object on certainly has weight in proportion to the degree and dura tion of the monopoly.

"Perpetual monopolies of every sort are forbidden not only by the genius of government, but by the imperfection of human foresight (Among such monopolies cannot be included the grants in perpetuity of (Among such monopolies cannot be included the grants in perpetu'ty of public lands to individuals, the grants being made according to rules of impartiality, for a valuable consideration; and all lands being held equally by that tenure from the public, the vital principle of monopoly is lost. The benefit is not confined to one or a few, but is enjoyed by the whole or a majority of the by the whole or a majority of the community.

"The evil of an excessive and dan-gerous cumulation of landed prop-erty in the hands of individuals is erty in the hands of individuals is best precluded by the prohibition of entails, by the suppression of the rights of primogeniture, and by the liability of landed property to the payment of debts. In countries where there is a rapid increase in poulation as in the United States. poulation as in the United States these provisons are evidently sufficient; and in all countries probably would be found so. Where charters of incorporation, even the common ones to towns for the sake of local police, contain clauses implying contracts and irreposals that are the ble to objections of equal force. The ordinary limitation on incorporated societies is a proviso that their laws shall not violate the laws and the laws and the laws of the laws of the laws and laws or the laws of the laws shall not violate the laws of the land But how easily may it happen that redress for such violation may not be pursued into effect? How much be pursued into effect? How much injury may accrue during the pursuit of redress? And above all, how much local injustice and appressions not in strict construction violating any law of the land.

Madison's Suggestions.

"Within the local limits, parties generally exist founded on different sorts of property, sometimes on divisions by streets or little streams; frequently on political and religious

frequently on political and religious differences. Attachments to rival individuals, are not seldom a source of the same divisions. In all these cases, the party animosities are the cases, the party animosities are the more violent as the compass of the society may more easily admit of the contagion and collision of the passions; and according to that violence is the danger of oppress on by one party on the other; by the majority on the minority

on the minority.

"The ways in which this can be effected, even beyond the cognizance of the paramount law of the land have scarce any other limits than the ingenuity and interest of those who possess the power. Is a tax to be collected? What inequality may at tend the control of assessment? or mode of assessment;

With the civilized world anxiously seeking a specific for Lung Trouble, the number of recoveries brought about through the use of Eckman's Alterative, a medicine for Throat and Lung Troubles, is attracting universal attention. For fifteen years Eckman's Alterative has been used and the reports of recoveries in many supposed hopeless cases indicate that this medicine is deing a vast amount of good. Read this:

"SS B St. Keyser, W. Va.

"Gentlement: I was taken sick in November, 1998, with a very bid cold and dizzy spells. The doctor then pronounced my case as Malarin Fever. I grew steadily worse. Had two consultations held over me, and the verifict was that the fever had affected my imags and that my case was hopeless; only gave me two months to live. My hisysteian had tried most all kinds of treatment and none did me any good, so he asked my husband if he objected to him trying a proprietary medicine. So I began on your Alterative. I was in bed from November 30, 1908, antil February 25, 1900, and was thought dying several times. Today I am health ier and stronger than ever."

(Signed) MRS II, K. BRILEY. (Above abbreviated; more on request.) Eckman's Alterative has been proven by many years' test to be most effections for severe Throat and Lung Affections. Bronchits. Bronchial Asthma, Stubborn Colds and in appuilding the system. Contains no narcotics, poisons or habit-forming drugs.
